

TROG 2019 Conference App Download Instructions

1. Download the TROG 2019 App from either the Apple or Google Play store

Go to the app store on your mobile device

Apple Users: Type “TROG 2019”

Android Users: Type “TROG2019”

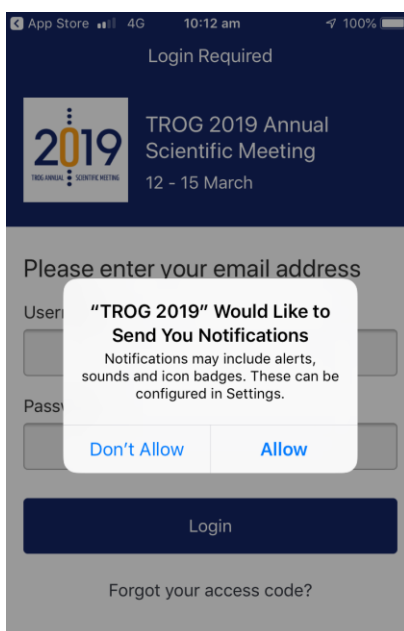

into the search bar. You should see an option that looks something like this, with the TROG 2019 Icon

Tap “Get” to download the TROG 2019 ASM program app onto your device

2. Login to the TROG 2019 ASM app

Once you have downloaded and opened the TROG 2019 App, the app will ask about sending notifications. Tap on “Allow” because we will be using this feature to alert you of announcements and agenda changes during the conference.

After tapping “Allow,” please login with the username and password you created when you registered for TROG Annual Scientific Meeting.

Your username can be found in your original registration email.

If you cannot remember your username or need help logging in please contact ASM@troq.com.au

Please enter your username and password

3. Welcome to the App & Setting up your Profile

After logging in to the app you will be met with a welcome message, after reading click “Next.”

Privacy Settings

Please select the profile privacy settings you wish to your profile to have in the app. Please note that these settings can be updated at any time under your profile account settings.

Once logged in you can access your profile under the “**My Profile**” icon on the main menu. Select “**Account Settings**” to add a photo of yourself, update your position, phone number, email address, organisation and privacy settings within the app.

If you are unsure about what information is visible in the app, you can check out your profile under the “**Attendee List**” icon on the main menu.
