Something fishy’s going on:

Exploring how the aquaponics garden at the Basin View Masonic Village is promoting resident participation through occupation and community and social involvement.

→

Aquaponics
Sustainability

• minimal additional water
• low levels of electricity
• fish waste provides nutrients for plants
• garden produce for nutritious meals
• easy to maintain.
An ‘organic’ movie about the garden

Kind hearts are the garden
Kind thoughts are the roots
Kind words are the blossoms
Kind deeds are the fruits
