Exhibition & Sponsorship Prospectus
It is with great pleasure that we invite you to sponsor the 30th Annual Scientific Meeting (ASM) of the TRANS TASMAN RADIATION ONCOLOGY GROUP (TROG Cancer Research) to be held at Wrest Point, Sandy Bay, Hobart, Tasmania from 19 – 22 March 2018.

For 30 years, TROG Cancer Research has been making a real difference through quality radiotherapy research. We are proud to be known as one of the highest recruiting cancer collaborative trials group in Australia and New Zealand. Since our inception, more than 14,000 people have volunteered to participate in more than 90 TROG clinical trials. We collaborate with more than 200 hospitals and cancer centres throughout the world.

Our organisation, consisting of more than 1,400 Australian and international members, is made up of an extensive network of oncologists, radiation therapists, physicists, data managers and other researchers conducting research across a range of cancers.

Your support as a sponsor or exhibitor is vital to the success of the meeting and offers excellent opportunities to participate. Sponsorship and exhibition at the TROG 2018 ASM will generate important exposure for your company and provide you with access to multidisciplinary health professionals working in the area of radiation oncology. The 2017 ASM held in Auckland, New Zealand attracted more than 200 attendees.

This meeting offers an ideal opportunity to make contact with existing and new customers, allowing you to inform a key target audience about new products and techniques. The meeting also provides an update on current clinical trials and horizon scanning for Australian and international studies in cancer therapy. There are many networking opportunities during the meeting and social program to pursue informal discussion about the trials, current trends and future initiatives in which your company may play a role.

The following details the opportunities for sponsorship and exhibition at the TROG 2018 ASM. The meeting registration brochure and additional information is available at www.trog.com.au under the Annual Meeting tab.

We value highly the relationship that has developed with companies who support TROG through their sponsorship at our Annual Scientific Meetings and new sponsors are always warmly welcomed. Please contact us to discuss your sponsorship options. We look forward to seeing you in Tasmania.
